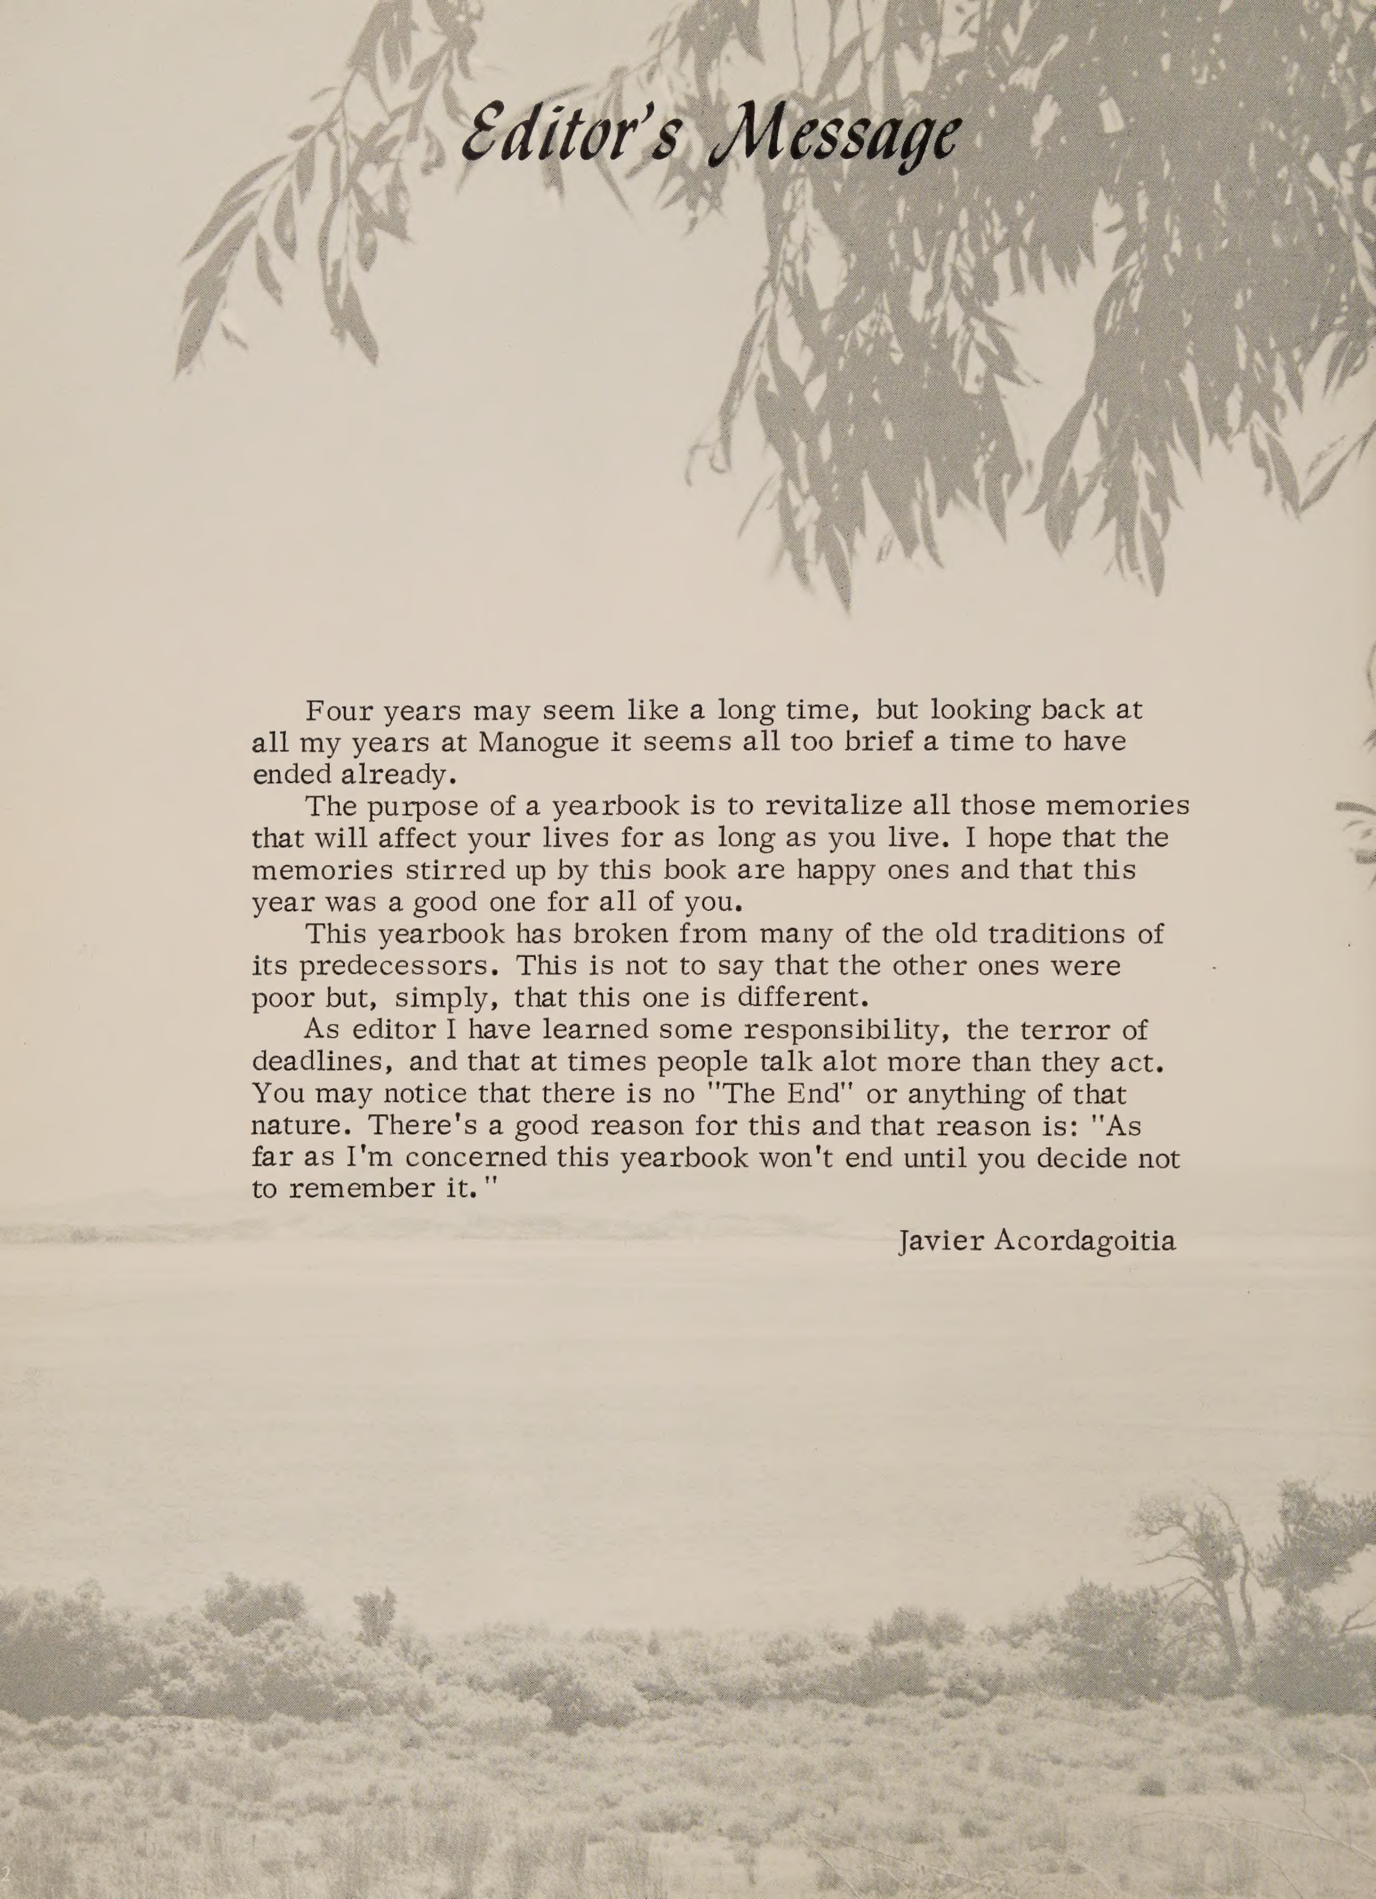
Editor's Message



Four years may seem like a long time, but looking back at all my years at Manogue it seems all too brief a time to have ended already.

The purpose of a yearbook is to revitalize all those memories that will affect your lives for as long as you live. I hope that the memories stirred up by this book are happy ones and that this year was a good one for all of you.

This yearbook has broken from many of the old traditions of its predecessors. This is not to say that the other ones were poor but, simply, that this one is different.

As editor I have learned some responsibility, the terror of deadlines, and that at times people talk alot more than they act. You may notice that there is no "The End" or anything of that nature. There's a good reason for this and that reason is: "As far as I'm concerned this yearbook won't end until you decide not to remember it."

Principal's Message

St. Paul in his letter to the Corinthians urges us, "all the runners at the stadium are trying to win, but only one of them gets the prize. You must run in the same, meaning to win."

This Christian Philosophy of St. Paul seems to best characterize what the Manogue student body and faculty are all about. It is a spirit to win, whether it be in academics, sports, or the more important game of life's destiny.

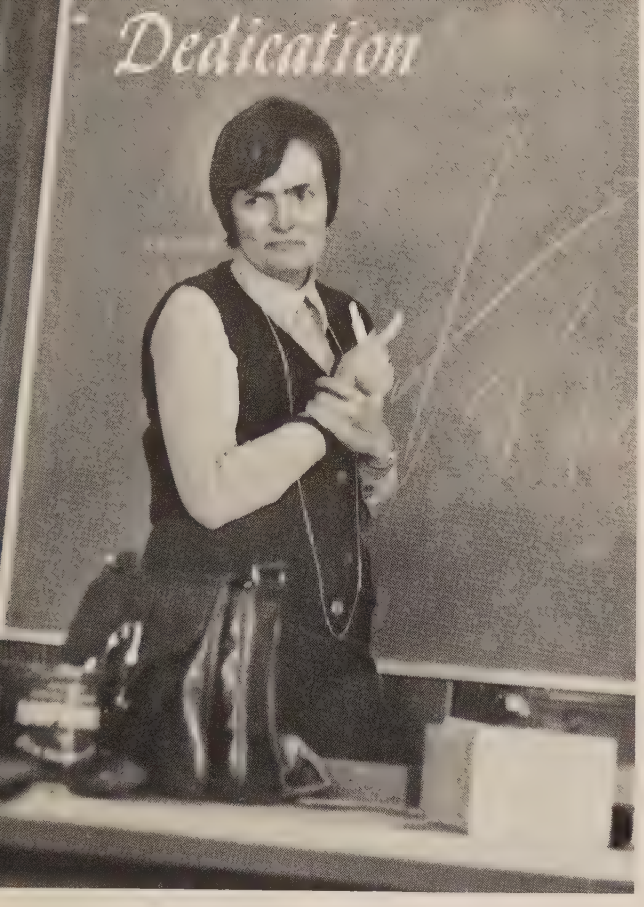
This year began as a year of building and evaluation, on dreams to be the best in every way possible. As the year pell melled on, the North West Accreditation Association assured us that we had a clear and well defined Philosophy of Education, namely a Christian College Preparatory orientation, and that we excelled in achieving it. In the sports arena, we saw young men and women growing to new potentials, a fire and drive that makes champions. In the social and spiritual activities we saw an ever better community support and a deeper awareness that we are all the children of the same loving God and Father.

Many of the year's events are now forgotten, except to the special people whose lives they deeply affected. But whether they be remembered or forgotten, they have all been the ingredients that have entered into the formation of the Manogue students in general and the Senior Class in particular to make them men and women of excellence.

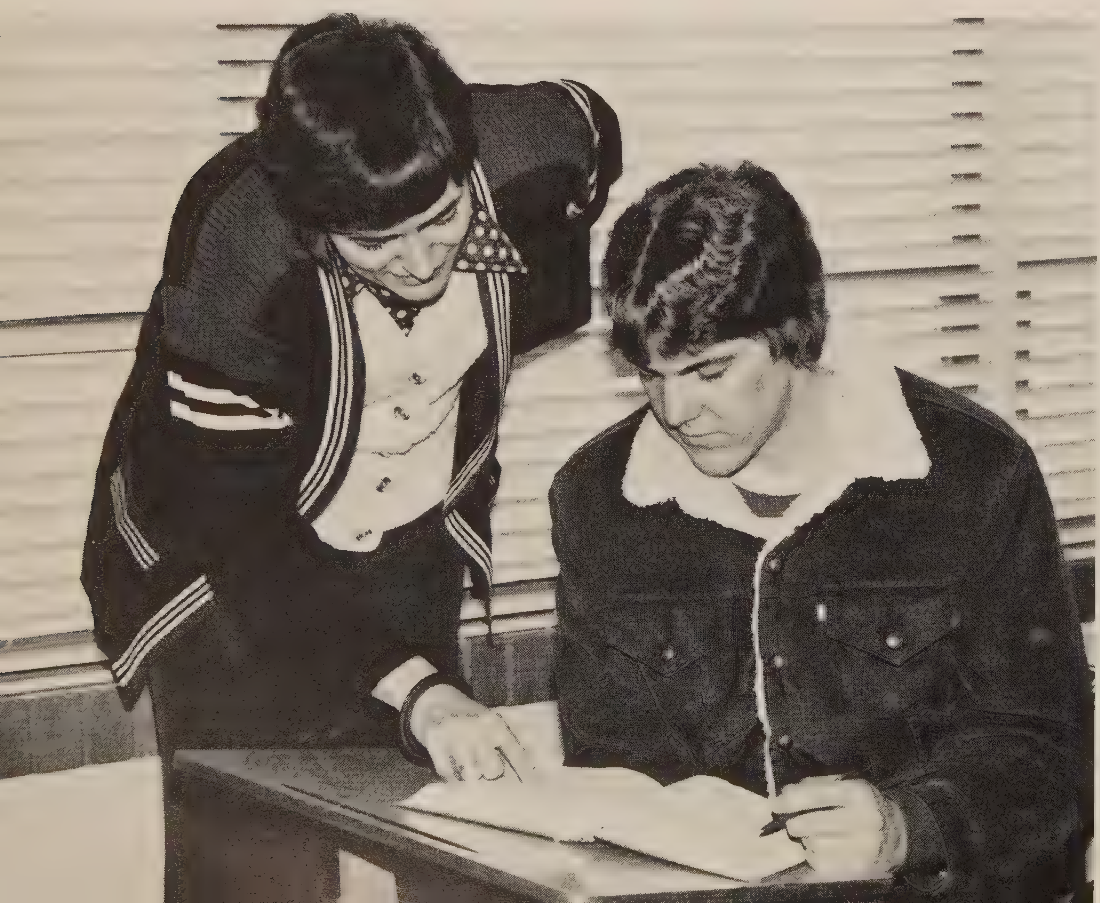
One of the North West Accreditation Association Officials said, as he was leaving the Manogue Campus, "Father, you have a damn fine school here." What he was really saying is, "Father, you have an excellent faculty and an extra-ordinarily fine student body and parent support."

Time will pass on and there will be many more evaluations until the final one in eternity. To the Senior Class we address ourselves in a special way, "the class of 1978 has been evaluated and rated of very high excellence.' May they continue to be leaders, on to influence the various communities which they will make their own. May their final evaluation echo the one of today, 'Well done thou good and faithful servant. Because you have been excellent in past things, I will put you over many. Possess you the Kingdom of God.'"

Dedication



"Well... that's what the book says.



Linda [illegible]

Sooner or later just about everyone has Ms. Lindstrom as a teacher, little do people know that Ms. Lindstrom, in addition to teaching several classes is also in charge of both Pep and Sodality Clubs. This makes her a very busy person, yet she always finds the time to help anyone who has any problems with their classes; so, Ms. Lindstrom, in recognition for your dedication and help to this school the Class of 1978 dedicates this yearbook to you.

The focal point of all organizations and activities during the year is the Student Council. The Council which is comprised of representatives from all classes and clubs in the school has the responsibility of providing activities such as dances, fund raisings and rallies. This, though, is not the soul purpose of the Student Council. The Council also serves as the student representative to the school administration.

In all, the student Council is not merely a functionary organization, but also a learning situation for all its members.

The Pep Club is responsible for many of the activities at Manogue. They do everything from collecting money from the football games to putting together the fashion show.

They also give all of the profits they make to any group that needs it, for example, the Senior Class' trip to Disneyland. There isn't enough room to say everything that they do, but there is enough to say THANK YOU.

Boys Block M

Bishop Manogue High School

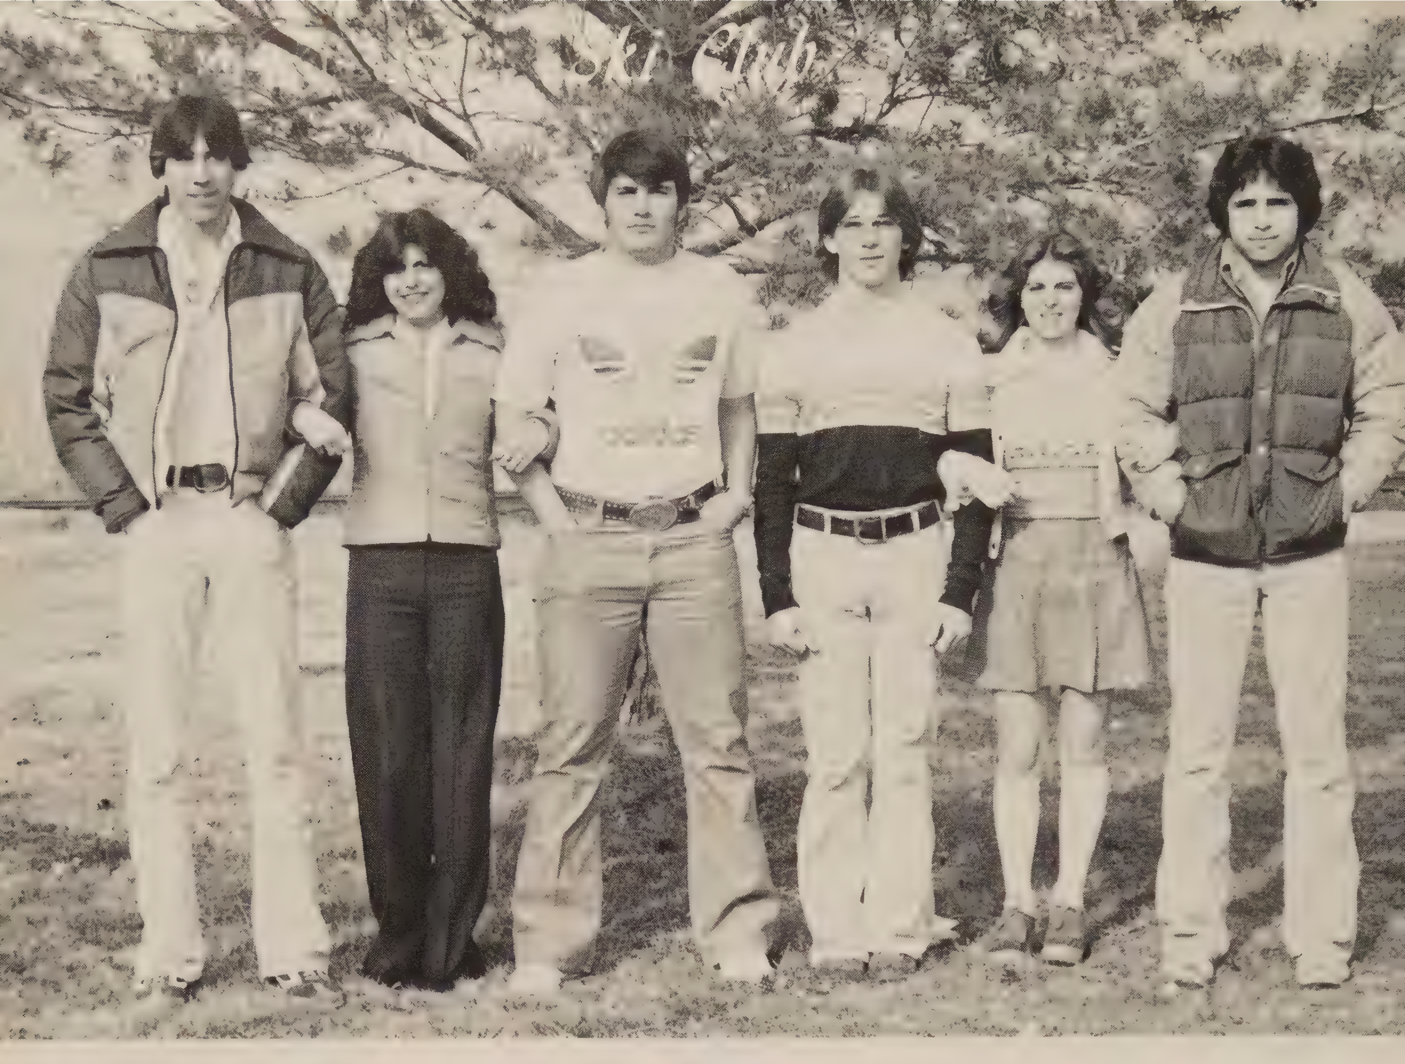
Boy's Block M is the lettermen's club of Manogue. It is a group of young men who wish to improve the athletic department of this school by providing money for equipment through the use of such fund raising projects as car washes and dances.

The Boy's Block M also nominates the football Homecoming Queen and makes preparations concerning this event. All in all few people realize that this organization is responsible for many of the things that have helped to make our athletic department one of the best one's in this area.

Sports are not restricted simply to boys but, to anyone who wishes to participate and apparently the young ladies in Girl's Block M have done just that. The people in this organization may not all be candidates for the Olympics, but they do possess a desire to engage in and win at something, this by itself makes them winners in any league.

Girls Block M

Ski Club



Sean McCarthy, Collen Capurro, Chris Smith, Chris Davis, Denise Wilson, Ron Sandoval.

It takes a little bit more than pointing yourself downhill in order to ski. However once the basics are mastered, it's a fun sport and just about anyone can enjoy it.

Cross Country Ski Club

It's hard to describe the exhiliration of skiing through the countryside; the silence and the beauty of nature under a blanket of snow. It's something you can't see or feel from a car, you have to be there.

Jim Lamb, Norm Azevedo, Colleen Campbell, Lora Bethe, Nora Constantino, Jane Maher, Keri Feldesman, Dede Bolduc, Alicia Adercian, Jennie Eyzagairre.

Girls' State

Girls' State was a very rewarding experience. We shared ideas with girls from all over the state. Our week at Clear Creek Camp was exhausting, but enjoyable.

We learned about political campaigns and elections, the process by which a bill becomes a law, and the workings of the state legislature; all by first-hand experience. We took part in mock elections and a mock legislature. Mary Gojack, Sue Wagner, and Judge Breen were some of the guest speakers.

We met many new friends, and learned the value of friendship. These memories will remain with us forever.

Boys' State

The experience of Boys' State is one which we will always remember. From it's beginning, when we were separated, we knew that it would be different from anything we had expected.

Life for the next week was dictated by a busy schedule of classes, meetings, and athletics. All of these having the purpose of teaching the basics of government to over 300 high school Juniors from the entire state of Nevada. The most valuable outcome of Boys' State, although, was in meeting the people and getting to know them and about their home towns. Although the week was sometimes hectic, the experience we gained from Boys' State is one which we will remember for a lifetime.

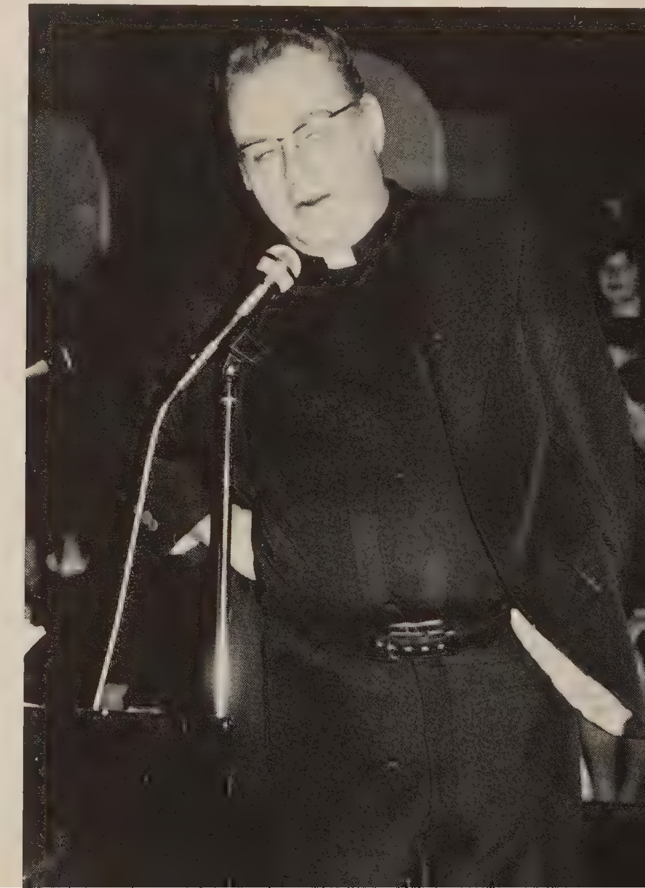
Choral

Well...what do you think of my gang?



The Choral group helped to a great degree in Fr. William's Christmas Program. They also sing during Masses in order to enliven the spirits of all those participating, and in order to fulfill one of their own potentials, singing.

Steve Fernbach- President, Vice-President, Secretary, Sgt.-at-Arms.

One of the shortest lived organizations at Manogue. The Bleacher Demolition Corps came to a crashing halt when its one and only member, Steve Fernbach, ran out of things to hit.

His type of devotion to his cause is a rare one that should not go unnoticed. Steve is shown about with his favorite tool of the trade, so to speak, a Honda 750.

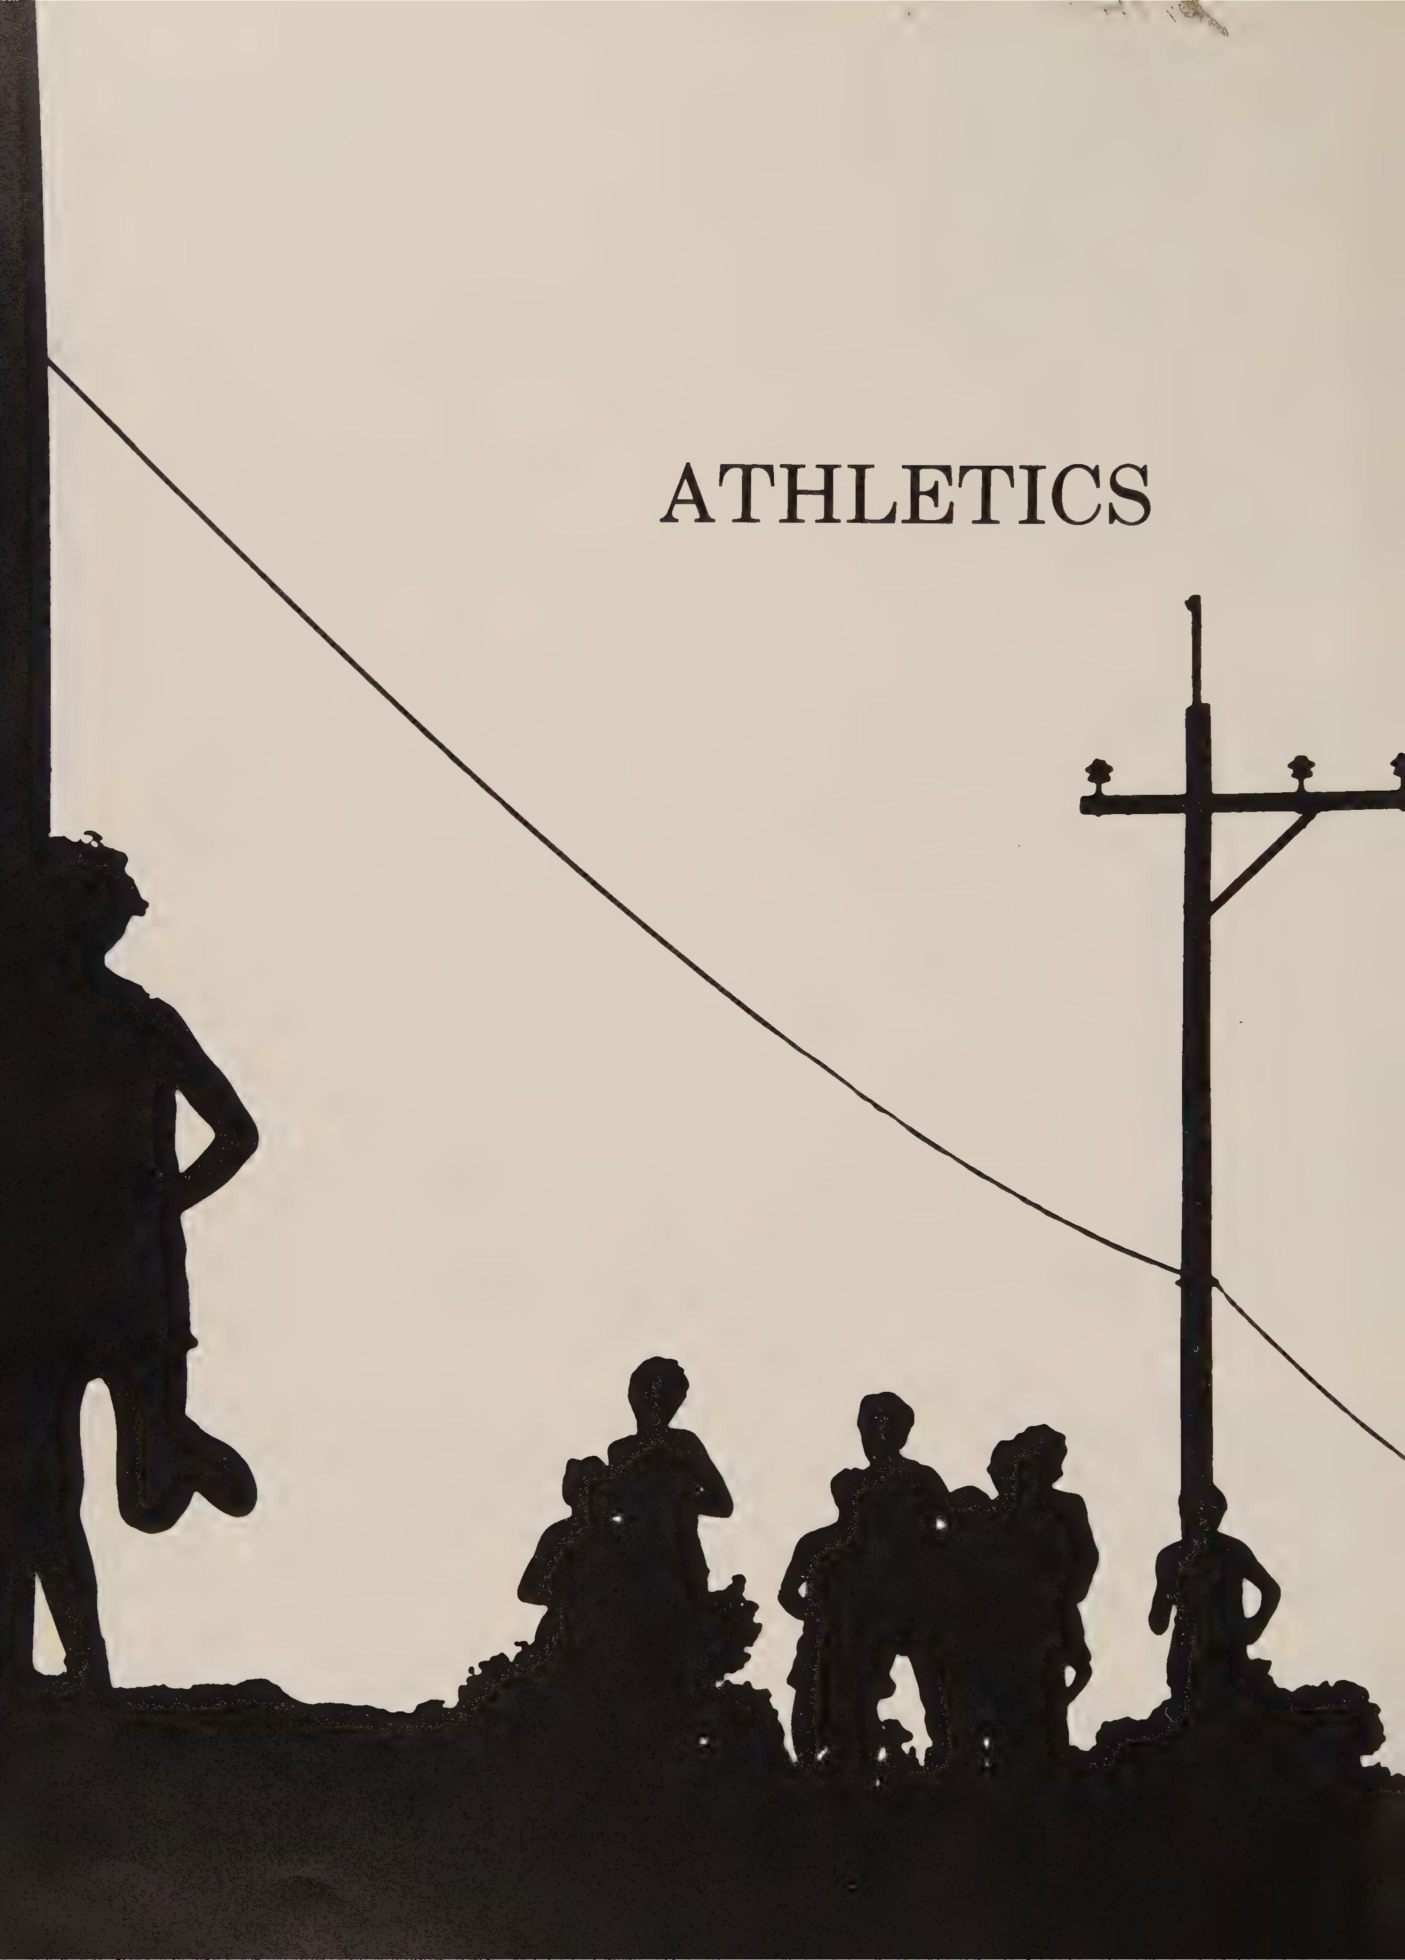
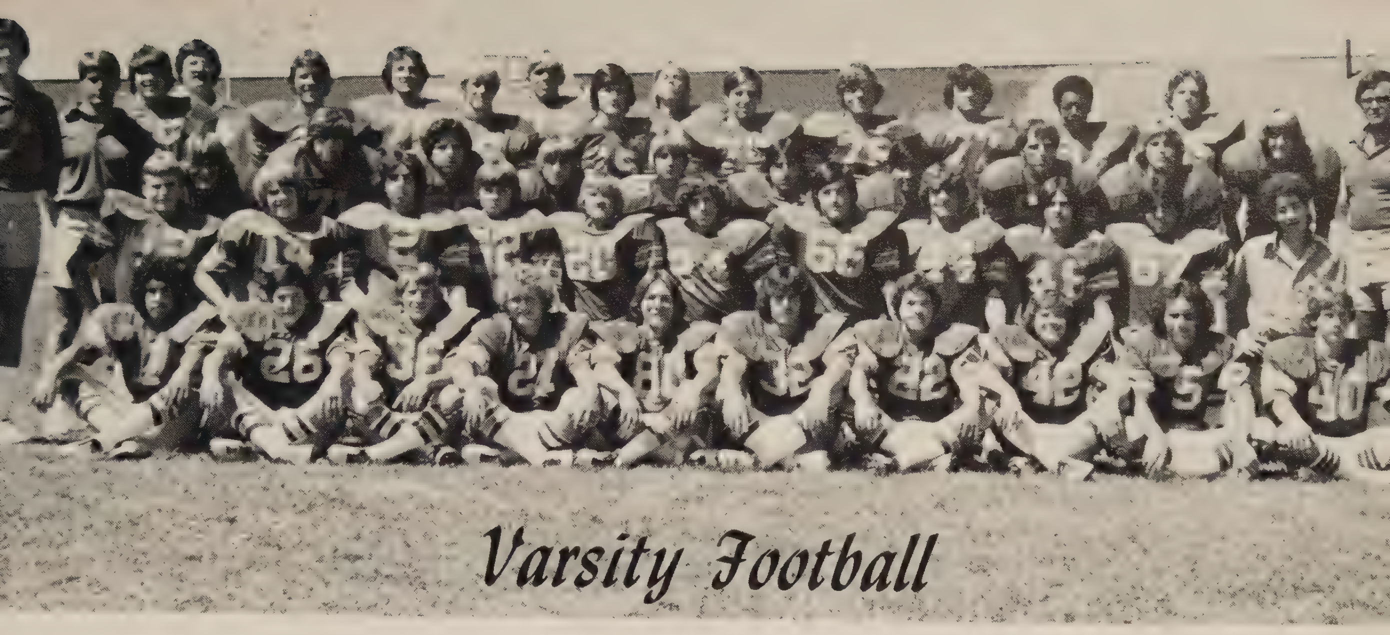
ATHLETICS





Varsity Football

After a slow and dissappointing start the Manogue Football team finished the season with three convincing wins. It was merely a matter of time before things began to fall into place.

It was a team with tremendous heart and class. In difficult trying times the team had the ability to stay together, work for the team, and maintain it's pride. When other teams would have given up and died, the team pushed forward. This is truly an indication of the great pride for which Manogue is renown.

In addition to our thanks and appreciation to Coach Rippee, LaRussa and Sullivan the team would like to give special thanks to Coaches Jones, Hascheff, and 'fearless leader' Armstrong whose devotion of time is greatly appreciated.

Kevin Korcheck 5'11"
165 LB Sr.
Kevin didn't do that
bad this year; considering he is Polish.

Joe Peroddy 5'11" 150
OG Sr.
Joe made a big
sacrifice for football;
he gave up cartoons.

Fred Reeder 5'11" 165

lost both positions.

Dane Neely 5'9" 160

Dane spent all season
wishing he was back in
Vegas.

Doc Bodensteiner 5'10"
160 C Sr.
Doc always showed J
Jack his better half.

Phil Zumaran 5'9"
155 OG Sr.
Coach always complimented Phil on getting
two blocks on very
play. He never
mentioned they were
both on Doc.

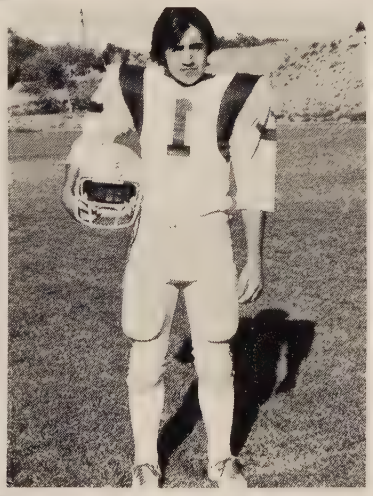
Mike Lowthorp 6'2"
210 OT Sr.
Lowfat was so upset when coach didn't start him he won two bets.

Ron Sandoval 5'9"
150 DE Sr.
No one could tackle Ron Because of his wet back.

Dan Cunning 6'2"
175 TE Sr.
Dan would rather hit than be hit so every time the ball came near him he would knock it down.

Stan Medlinsky 6'0"
150 DB Sr.
Stan finally figured out all the DB coverages at the Incline game.

Tom O'Gorman 5'4"
130 DB Jr.
In case you are wondering the number on his chest is his IQ.



Jack Glenn 5'9" 140

It only took Jack twelve weeks to get the veer's timing down.

Duane Upton 5'9" 135
DB Jr.
Duane ended the season five times better than he started. Too bad 5x0= 0

Bill Beach 5'8" 150

Mike Fleiner 5'9"

The team could only do one thing without Mike; win.

John McMullen 5'6"
130 DB Jr.,
Mack is the only guy who can trip over his own knees.

Billy Thompson 5'9"

Mike ought to be a valuable asset to next year's Cross Country team.

John Anxo 6'3" 180 OT Jr.

Leon Carroll 6'1" 180

More people feared
Leon in the showers

Pat O'Brien 5'11" 150

Coach was always mad
at Pat for chasing the

Steve Ting 6'0" 195

The 1977-78 Junior Varsity Football team was a powerhouse in it's league. They played exciting football, ending the season with an 8-1 record. The team will be sending many fine players to the Varsity next year to make it a strong state contendor.

The team would like to thank Coach Tim Jaureguito and Coach Lynn Cunningham for their unparalleled devotion to the Bishop Manogue Athletic Program.

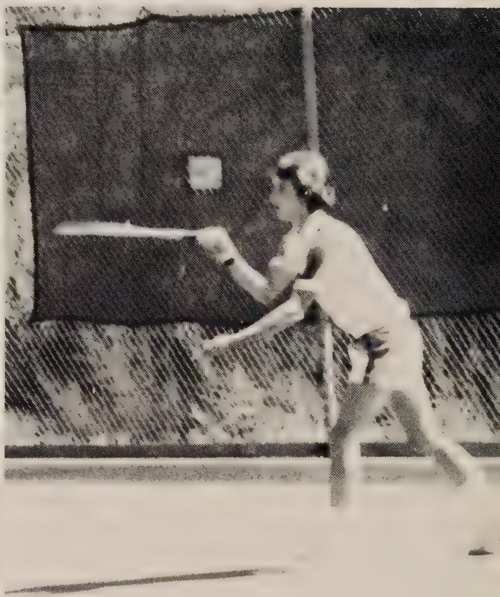
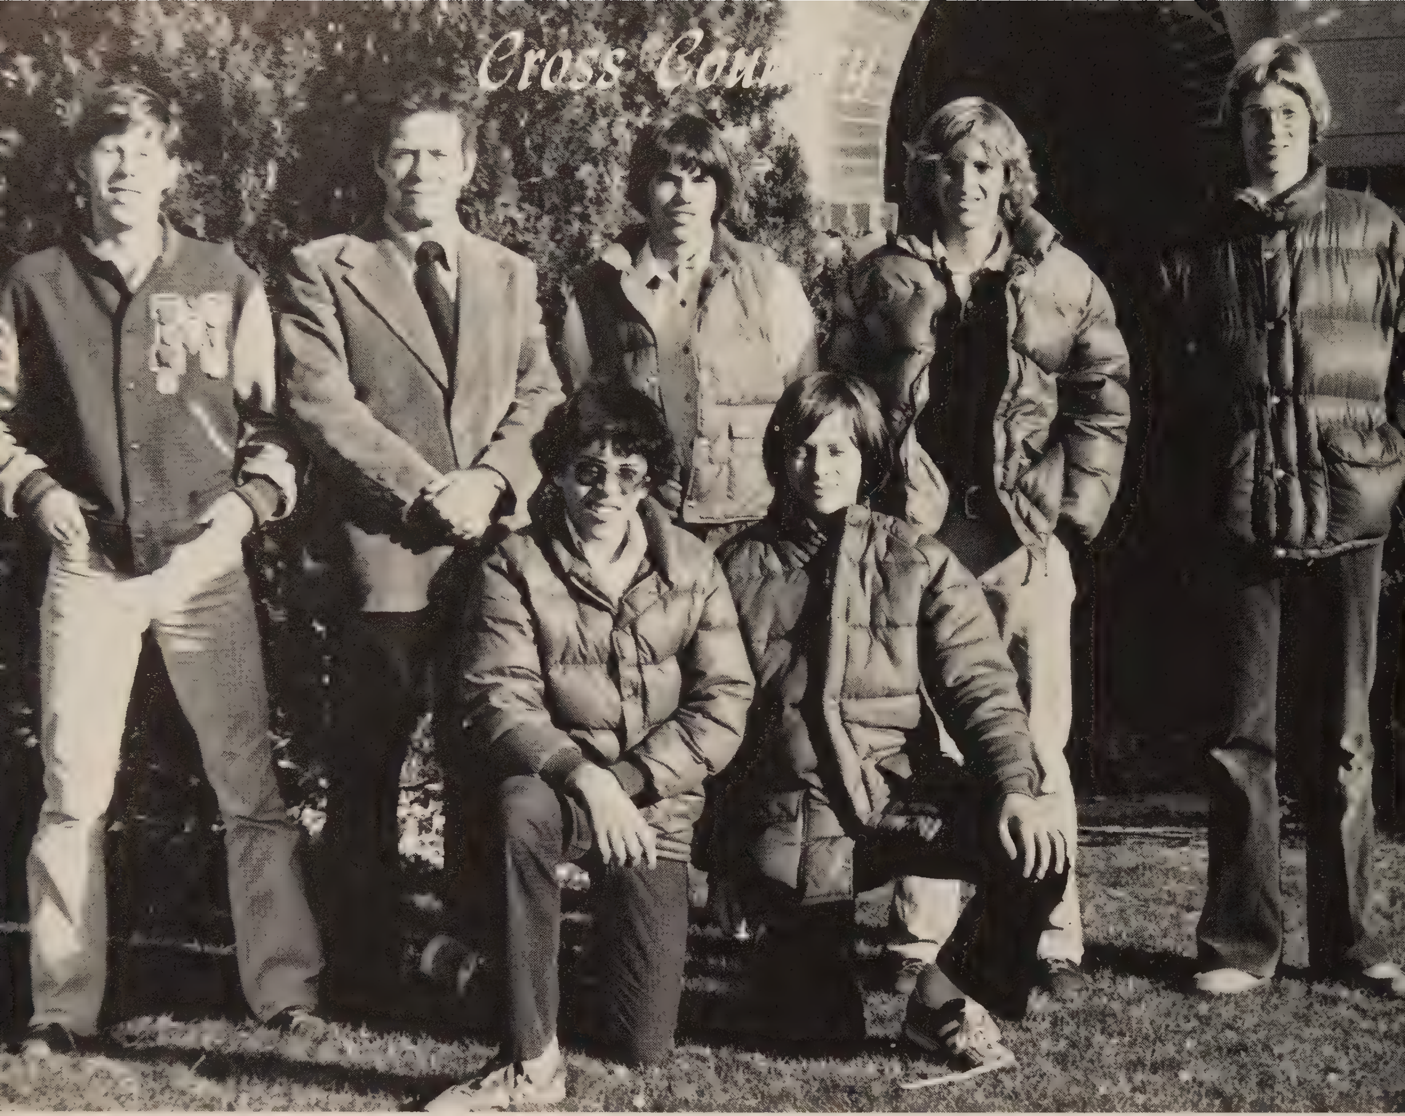
Sitting: Karen Stringham, Sandy Gabrielli, Mary Lou Urrtia, Lynn Stewart, Chrissie Samcoff, Paula Jo Fanelli. Not Pictured: Bryan Merryman.

The Miner's tennis team once again proved their superiority by taking the Girls State Championship for the 5th consecutive year followed by the boys 3rd consecutive year as State Runner-ups. Led by Mary-Lou Urriutta and Lynn Stuart who took the girls doubles State Championship for the 2nd year in a row, the Las Vegas tournament proved very worth while in representing the school. The team would like to thank Mrs. Casci for her dedication and coaching to the team and show appreciation to Mr. Townsend for his assistance.



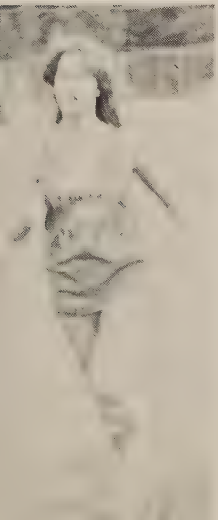
Cross Cou



Standing: Kevin Hawkins, Coach Pat Burton, Clayton Gardner, Jim Lamb, Jeff Nespor.
Kneeling: Herb Santos, Chris Bolduc.

The Boy's Cross Country Team did well this year considering they only had the minimum number of runners to compete in any meet. This meant that each runner had to run even if he was sick. This shows the heart and dedication that each of the five has. Next years team should be even stronger with all runners returning.

Keri Feldsman, Julie Eckert, Leilani Faber, Kris Fleming, Kathy Allen, Keri Henderson, Kathleen Knuff, Fr. Hinds, Paula Senini, Carol Dennis, Kathy Fischer, Lisa Boucher, Suzanne Cassinari, Nora Constantino, Mary Small, Not Pictured: Lisa Easley, Lori Blakemore.

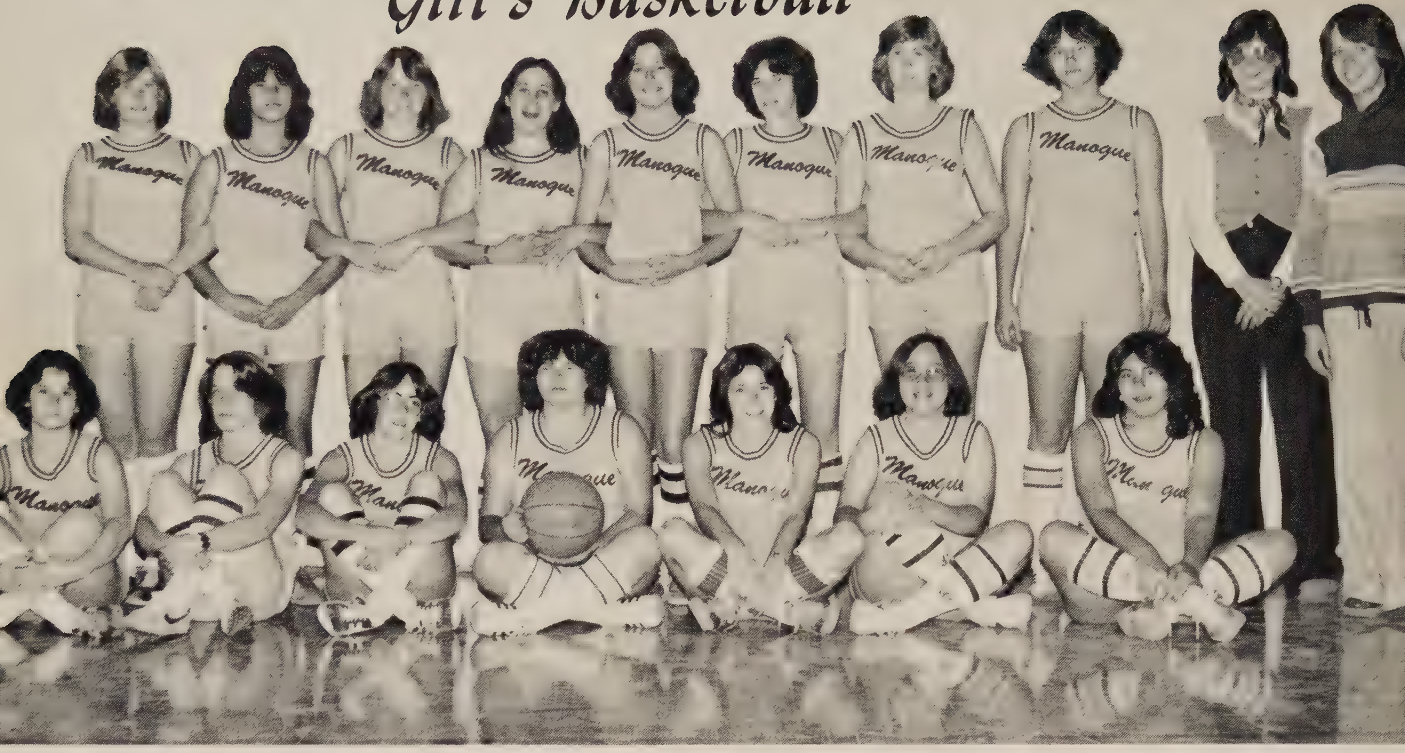


This year our cross country team did very well at all of our meets, usually placing in the top three. One of our greatest victories was at the North Tahoe Invitational where we brought home the winning trophy.

There were sixteen of us on the team and this number stayed constant throughout almost the entire season. Our enthusiasm, which was high throughout the year reached its peak at the state meet in Stewart. We came in a strong second and brought home the runner-up trophy. The girls who placed in the first five at State were; Nora Constantino, Julie Eckert, Carol Dennis, Kris Fleming, and Lori Blakemore.

Much of our appreciation goes to Fr. Hinds for his hard work and dedication, and to the Boy's Cross Country team for supporting and cheering us on at all the meets. Many thanks guys!

Girl's Basketball

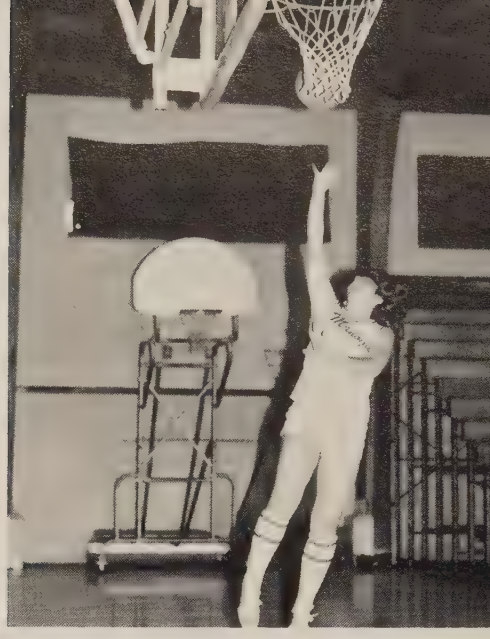


Standing, left to right: Lisa Allen, Teri Arden, Sara Bobensteiner, Kaysi Conway, Lisa Bodensteiner, Raenell Haire, Paula Gurries, Sandy Gerhardt, Gaylene Hanson, manager, Coach Kathy LaRussa. Sitting: Patty Haire, Kathleen Glenn, Ana Cavilia, JoAnn Gardner, Mary Anne Riordan, Pia Tillis, Stacey Ting.

The girl's basketball team began their 1977 season at the Reno High School Tournament with only six returning players. Although the team was relatively inexperienced, they were winners despite the score.

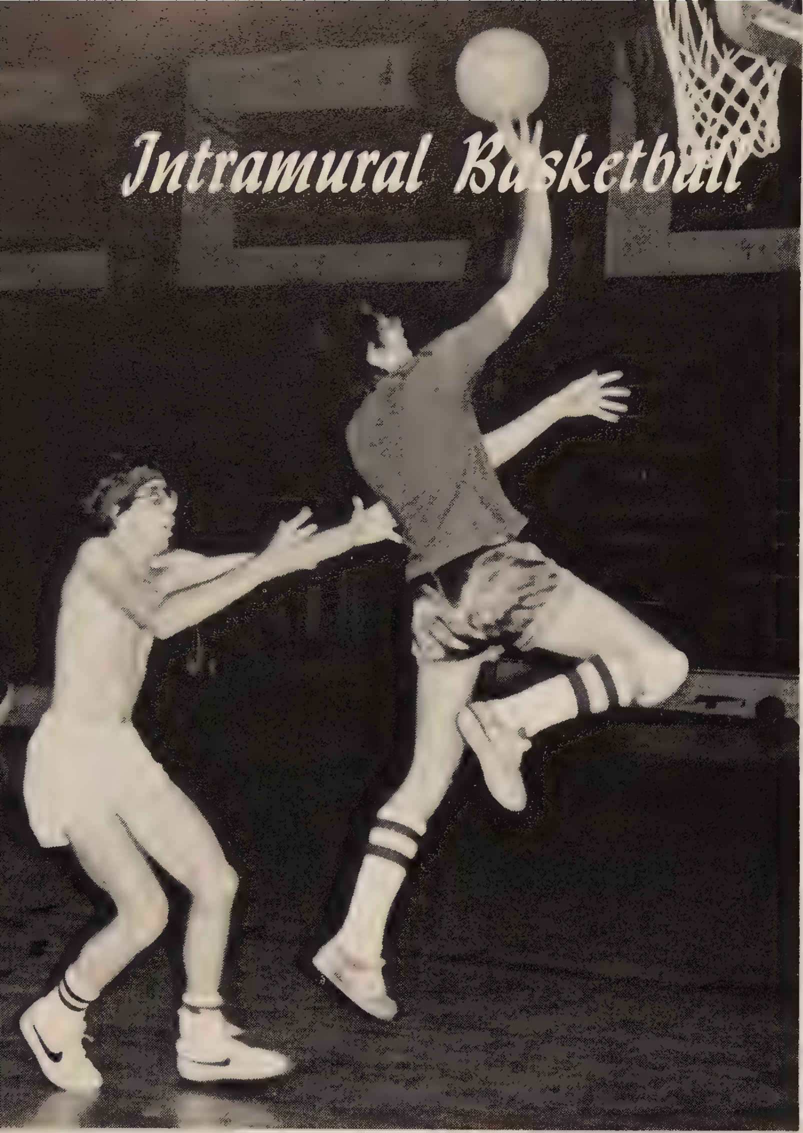
Throughout a difficult season Manogue's team kept up a definite aura of pride and spirit, aided by the Student Body and Faculty.

The outlook for next year is definitely positive, with only two Seniors leaving. Mrs. LaRussa is very optimistic regarding next year's season, and would like to encourage all interested girls to participate.



Coach Kathy LaRussa "Gee....is the ball upside-down?"

Intramural Basketball



Intramural Basketball is a competition between people who don't need crowds and a letter to play basketball. They enjoy playing just for the fun of it, and isn't that what it's really all about?

Freshman Basketball

Tony Zamboni, Mike Mueller, Mike Pelcher, Dan Gardner, Tony Gonzales, Brian Sandoval, Alan Beaupre, Kent Knuff, Ramon Estrada, John Jaurequito, Alby Peroddy.

Father James Buckley

Despite being much shorter than most of its opponents, the Freshman basketball team fared well. They ended their season with 9 wins and 14 losses. The team was coached by Fr. Buckley.

We were excellently coached by Coach Frank LaRussa and Coach Lynn Cunningham.

This year's team had a disappointing season. The team's record was 7-21. This, however, did not show the heart with which each player played. Under rookie coach Bobby Sullivan, both coach and team had a great, learning experience which is sure to benefit next year's team.

On the edge of their seats.

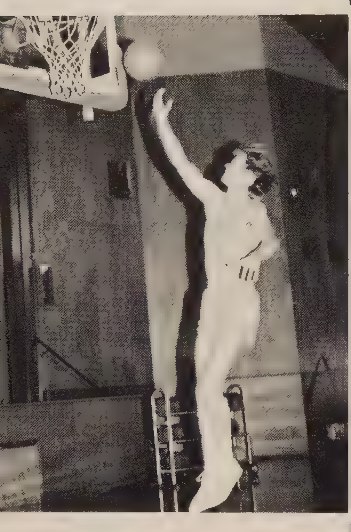
40 Tom DeLong 1.75 m.
74 Kg. Tom's blinding speed was the main reason why the Pep Club was always sold out of No-Doz.



20 Toby Albin, 1.78 m.
70 Kg. Toby is still wondering why he ever left Reno High.

24 Jack Glenn 1.75 m.
66 Kg. Jack did for the basketball team what he did for this year's football team.

32 Rick Frattini 1.80 m.
68 Kg. Rick fell down so much that he wore out his shorts before his tennis shoes.

34 Ed McCaffery 1.90 m.
70 Kg. Mr. Airhead showed the team his brilliance by tying his shoes right every 3 out of 4 times.

54 John Anxo 1.90 m.

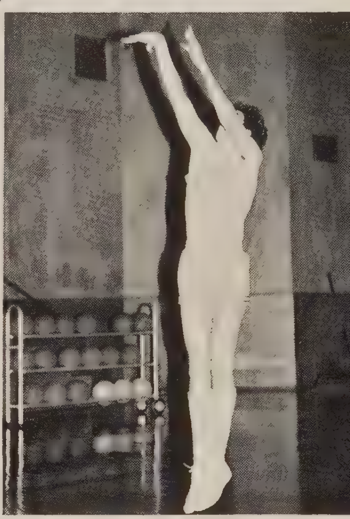
12 Bryan Merryman 1.70 m. 66 Kg. Bryan put on a better show after being taken out of a game than when he was in it.

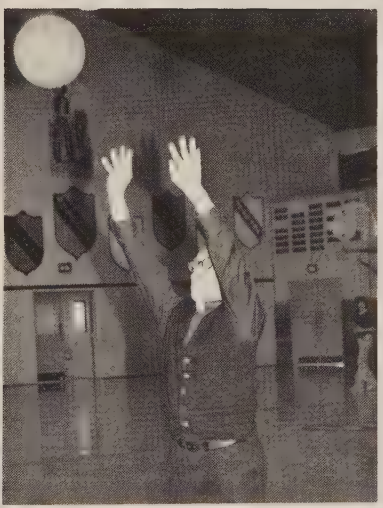
14 John Seeliger 1.70 m. 62 Kg. It still puzzles us why Seeliger is still playing basketball.

10 Jim Taylor 1.70 m. 66 Kg. After 4 yrs. of basketball Jim can take the ball out of bounds better than anyone on the team.

42 Chris Nannini 1.80 m. 72 Kg. Chris always kept his cool while playing, under pressure he falls asleep.



0 Ralph Drendal 1.70 m. 6 Kg. Ralph's main job vas making sure that one of the corners on he basketballs were hipped.



22 Walt Bliss 1.75 m. 66 Kg. Walt was known as "Mr. Quick-Change," because he wore his street clothes under his warm-ups.

Boys' Track

This year's boys track team is comprised mostly of underclassmen which makes for a strong J. V. team. However, the heart that this team exhibits is no smaller for the fact that they are a young team. Just how well they do as a varsity team will depend on how well they survive the season.

Next week, we start with the pad.

Good catch Ek!

Elmer's really does stick.

Look! I can fly!

Girls' Track

The Girls Track team has the potential to become a State Team. They have the sprints, distance runs, and the jumping events just about tied up. Manogue has waited five years for a team of this caliber; a new tradition has begun.

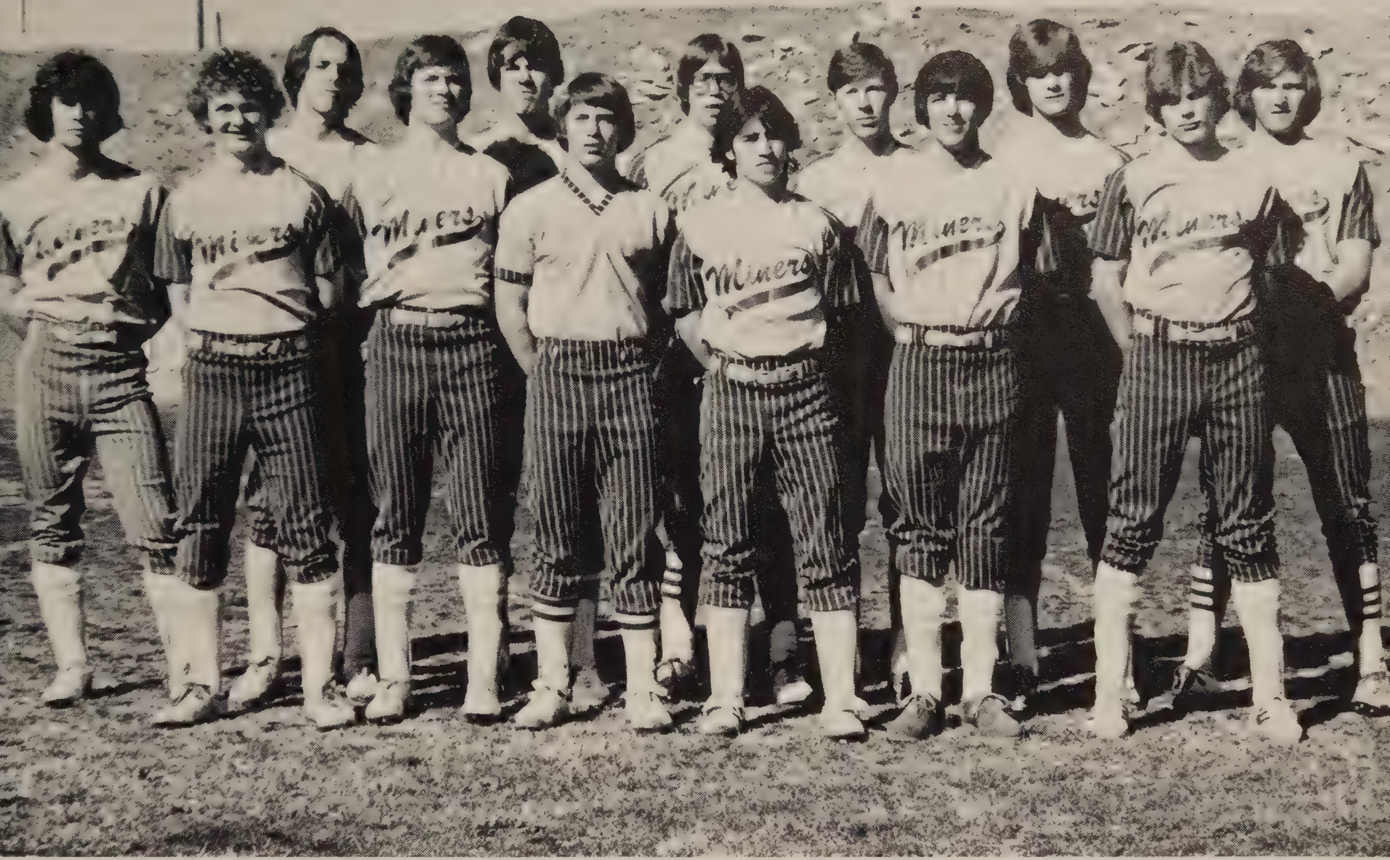
Golf

Steve Choquette, Mike Leonnard, Norman Azevedo, Kevin Sullivan, Jay Piper, and I think that's Howard McElroy on the end. (or is it an eight iron?)

Father Glen Dare

Although not a physical sport, golf is a sport of concentration, wits, and nerves. It's a sport mastered by few but enjoyed by anyone willing to try.

Varsity Baseball



Mike Fleiner, Mark Mackey, Joe Peroddy, Bill O'Gara, Kevin "Fish" Desmond, Donny Maloy, Paul Bonaldi, Tom O'Gorman, Kevin Hawkins, John Seeliger, Toby Albin, Jim Taylor, Fred Reeder

Baseball is the All-American sport and these ball chasing, tobacco chewing men intend to keep it so. As a matter of fact these people have the potential of becoming a championship team, which will be second to none in the state.
